

MESSAGE FROM THE PRESIDENT

Hi everyone, welcome back for 2022. There has been much change and developments in the last period, with some really exciting times ahead. First and foremost, I would like to welcome our new Chief Executive Officer, Lucia Lancellotti. Lucia comes to us from the Victorian Public Service and has already got some fantastic networks and insight into our organisation and community Space, and offers a wide range of skills and experience that I know will serve us well for the times ahead.

In addition, I want to take this opportunity to thank and congratulate Raelene Nixon, Leonie Dwyer, Jamie Atkinson and Daniel Briggs for their

support and contributions to the RFNC Board of Directors. All have stepped aside in the past couple of seasons due to other commitments, but I acknowledge your contributions unreservedly.

I specifically would like to highlight and acknowledge the resignation of Uncle Paul Briggs, who has stepped down as President after 25 years. Uncle Paul is and has been the consistent factor and pinnacle identity of the RFNC since our inception and remains a committed and contributing member of our Club. Thank you for everything Unc, we will all continue to carry the baton, with your intent and passion always front of mind.

And finally, to our club and community members, having come through a very trying time for us all, I look forward to re-engaging with you all over the coming season. We have club programs continuing to produce opportunities for anyone, social activities planned and to be released in the coming days, and of course football and netball teams performing on the weekends bringing our mob together on a regular basis. Please have a read through this newsletter, and if you have any questions don't hesitate to reach out for more information.

Hope to see you all down at Mercury Drive soon,

Joshua Atkinson

RUMBALARA FOOTBALL NETBALL CLUB

FOOTBALL

Hi Rumba family, I just wanted to let all of our supporters know that the players and I are pretty excited for the season ahead. We had really good numbers on the track before Xmas but lost a few after Xmas due to Covid isolation rules that had been put in place.

Numbers are back up with 25-30 players on the track the last couple weeks. All players have been working really hard on the track during pre-season and it's been pleasing to see a lot of our young boys there consistently as well. Kane, Jayk, Steve, and young Benny are flying at the moment and have put in a really solid pre-season and are set for another good year. Some new players to the club so far are, Jarrod Byrnes, Rivva, Malachi and Gundo are back, a few more recruits will be announced in the next few weeks.

We had a great training camp at Morning Glory over the weekend and our first intraclub match played last week. We have 2 practice matches against Shepp East and Murchison in the coming weeks and we would love to see everyone there. We're hoping to get a full season in this year, and I'm excited to see what this group can do during the year. Anything is possible if you believe in yourself.

NEW NETBALL COURTS

How great do the netball courts look? The courts have been up and running since December and the Netballers have loved training on the best courts the region has ever seen. The club will be undergoing many upgrades over the next few years and we think this has been the perfect way to start. Thanks to Kane Atkinson for the images.

NETBALL

Netball got off to a great start with preseason and trials in November last year with some great numbers on the court. We are now back up and running in preparation for what will be an exciting season. Along with returning players it has been great to see so many new players committing to Rumba this year. There is some great energy around with everyone enjoying being back on our home courts, and don't they look amazing!

Our juniors have started off strong with great numbers in 11's, 13's and 17's, however, we are looking for some more U15 players. If your child or someone you know is interested in joining the U15's team get in touch with Rebecca Dean (U15's coach).

We look forward to seeing everyone at training on Tuesday and Thursday nights. Yakama Rumba!

In December the AEP held a rail industry worker card (RIW), white card induction and hand signaller training. This will enable the participants to take up positions on the Shepparton Upgrade project.

Over the past month we have seen participants working on many of the projects in the region with tree planting in Barmah, Murchison Rail Upgrade and Rumba Ripples Projects.

On the 9th of March we will be having an information session for an upcoming job opportunity with the Parklake. Send in your resume to the below email if interested, more details to come.

Please contact the AEP team today to register if you would like to be kept up to date with job and training opportunities in 2022. You can contact the team via email **aep.admin@rfnc.com.au**

RUMBA RIPPLES

Among the many jobs that Rumba Ripples have been working on over the last month has been the Yarning Circle at the Haven in Mooroopna.

This will provide the residents at the Haven a place to talk, share, discuss, educate and have a yarn together, a place to build respectful relationships and a space to enrich learning experiences.

Aboriginal and Torres Strait Islander peoples have been using yarning circles for thousands of years. Looks amazing guys.

GOWOLA HOMEWORK CLUB

The Gowola Homework club kicked off in mid February with some great numbers in attendance. Make sure you get your bookings completed asap if you would like your child to attend. The program is again running out at the RFNC social rooms with afternoon tea provided to the students upon arrival.

Bus picks students up from primary school every Tuesday at 3:20pm. Bus can drop students home please contact Tina to organize. **Bookings**

CONGRATULATIONS UNCLE PAUL

In acknowledgement of Uncle Paul's lifetime contribution to the First Nation's community and sport, he was awarded the Jack Titus Award by the AFL for his outstanding service to football across many decades.

As a Yorta Yorta elder, Uncle Paul is at the heart of one of the most passionate, determined and important sporting Clubs in Australia. His commitment and tenacity to improve outcomes for First Nations people through sport with the Rumbalara Football Netball Club is extraordinary.

Uncle Paul was hesitant to accept any praise for the award, when in his eyes it was a result of more than 100 years of Aboriginal football teams and stories.

"My contribution is picking up the legacy of those past champions, people like Sir Doug Nicholls, my Dad Les Briggs, the William Coopers and others....this award conjures up images of everyone else that has made a contribution"

One group that Uncle Paul talks about often that has

made a major contribution was the Cummeragunja Invincibles football team.

Between 1921 and 1931, the Invincibles won six premierships in 11 seasons. The Invincible spirit of Cummeragunja still lives on, inspiring the journey of Rumbalara Football Netball Club.

Uncle Paul played over 500 games of football in regional Victoria, his playing days were a stark contrast to what we now enjoy at Rumbalara Football Netball Club. When playing he felt a void, he had a game-time relationship with the communities and clubs but was not embedded in the social and cultural life of those clubs.

This relationship, between sport, society, the economy and culture is something that Uncle Paul spends a lot of time enacting.

The Jack Titus award is a much deserved acknowledgment of everything you have done for us all Uncle Paul and we thank you for your unwavering leadership that is making a difference in all of our lives.
